Shlomo,

We have had several conversations with Moshe, whom I've copied on this email, as we have tried to get in touch with Steve to request that half of the remaining monies be sent to you each month directly from Greystone. It is my intention to go to his office if I'm not able to get thru to him by the end of the day tomorrow. We very much want to resolve this last outstanding issue of the lawsuit per our written communication with each other regarding our written settlement agreement. I will let you know as soon as I speak to him. David, can you please send the information as to where you would like the monies sent? Thank you.
